MEMORANDUM FOR: Director of Scientific Intelligence

SUBJECT : Threats to U-2 Aircraft

1. This office has received a paper from your office entitled "Threats to U-2 Aircraft in the Middle East". This paper was requested by the Intelligence Division in conjunction with certain planning currently under study. The paper prepared by your office is an excellent piece of work which fulfilled our requirement on the Middle East most adequately.

2. There are, however, certain other areas of interest. Papers similar to that which you prepared on the Middle East would be most appreciated. The areas in which we are most interested at present, apart from the current area of operations, are as follows:

a. Africa (North, Central, and South)

b. Latin America (Central and South America, including the Dominican Republic and Haiti)

c. Far East (Burma, Cambodia, and Indonesia).

25X1A  
25X1A  
25X1A  
3. [redacted] Chief of Intelligence Division, OSA, will be the point of contact in case there are any questions. He has been working with [redacted] of your organization and has found [redacted] assistance on a wide variety of problems most helpful.

## MEMORANDUM FOR THE RECORD

SUBJECT: OSA Staff Meeting - 28 November 1966

1. The following is a summary outline of topics raised at the weekly morning Staff meeting.

a. Mr. Parangosky opened the meeting by stating that we would cover those items of general interest in the absence of General Bacalis who was visiting the Pentagon.

25X1A

b. [redacted]

(1) Raised the question of disposal of [redacted] office and furniture. It was suggested that the furniture be surveyed to determine if any of it would be of value to the Contracts Management Division in view of their recent request for Class A type furniture. It was also suggested that a check be made with DDS&T to determine whether or not they had any need for such an office. In any case, OSA will advise GSA that it plans to give up the office space by 31 December 1966.

25X1A  
25X1A

(2) Discussed [redacted] trip to the Far East. It was suggested that [redacted] check to determine what approvals at Headquarters must be obtained for the field trip as well as what notifications and concurrences from the field must be in hand before the trip commences.

25X1A

c. [redacted]:

25X1A

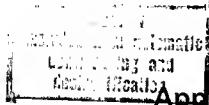

(1) Stated that a records disposal expert, [redacted] will spend two weeks with OSA to help.

25X1

(2) [redacted] contract is in the finalization stage.

25X1A

(3) [redacted] raised briefly the eventual take over of fifth floor space.
